

BLAKE BIALKOWSKI, CISA, PMP, is an information systems development auditor for the Office of the Auditor of Public Accounts in the commonwealth of Virginia. He has worked there for five years and performs a wide variety of audits ranging from performance audits to IT project management audits. He worked closely with his Information Systems Development team to develop a standard template in Microsoft Sharepoint to assist the team with its work.

He is a member of the Information Systems Auditing and Control Association and served on the Virginia chapter's board as the certification coordinator for two years. He is a 2003 graduate of Virginia Tech and holds a bachelor's degree in business information technology.
