

Lisamarie Manso
Director, Vertical Solutions & COE – Clarity PPM

Lisamarie currently leads the Clarity Grants & Funding Management team as part of CA's SAAS offering. Her professional focus is targeted at specific business solutions for IT Management, Center of Excellence and Governance organizations for Public Sector, Health Care, and Human Resource Management. Lisamarie's industry experience supports a diverse background in professional services and financial services organizations, and health care. She provides thought leadership to her customers and insight to the Clarity engineering organization with regard to product direction. She has been with the C.A. Clarity Division more than 8 years and was previously an HR professional at PeopleSoft and Citibank.
