

## **Neil McMonagle**

Senior Manager  
Infrastructure Advisory  
Grant Thornton LLP  
Alexandria, VA

Neil McMonagle has over ten years of experience of providing financial and commercial advice to public and private sector entities on major infrastructure projects.

Neil transferred to Grant Thornton's US firm to establish an infrastructure practice in 2010, having previously been an associate director in Grant Thornton's European infrastructure team. He has advised clients including the Federal Highways Administration, Department of Energy, Metrolinx, Transport for London, Transport Scotland, Alstom and HSBC Infrastructure Fund.

Neil has a law degree and is a qualified chartered accountant.
