

Melissa Womack is the Director of Financial Reporting within the Office of Fiscal Management for Mississippi's Department of Finance and Administration. She oversees the preparation of Mississippi's Comprehensive Annual Financial Report, W-2s for all state employees and 1099s for most state agencies. Other responsibilities include maintaining the Mississippi Agency Accounting Policies & Procedures manual and the statewide accounting system tables. She has been with Financial Reporting for 19 years. Prior to this, she worked three years for a local accounting firm.

Melissa earned a Bachelor of Business Administration degree in accounting from Delta State University and is a Certified Public Accountant. She is a member of the Government Finance Officers' Association.
