

OVERVIEW

NASACT is pleased to announce the latest in its series of training events addressing timely issues in government accounting, auditing and financial management.

Mary Kelly, opening keynote speaker at NASACT's 2022 annual conference, will present on *Leading Through Volatility*. To successfully lead people through and out of a crisis, first, we must understand the six stages of the crisis. Based on her Navy experiences during the first and second Gulf Wars and 9-11, Commander Mary Kelly articulates the reactions of people in various stages of crisis, challenge, or change. As effective leaders, we must be able to help our people P.I.V.O.T. through the crisis, by renewing their sense of purpose, influencing and inspiring others to take the right action, assessing the volatility levels, seeing the opportunities, and providing the right tools, techniques, and technology that allow people to succeed.
